Contents

Introduction

Congratulations on your purchase of the Rocketfish RF-GPS3009 PS3 wireless racing wheel. This racing wheel represents the state of the art in wireless racing wheel design and is designed for reliable and trouble-free performance.

Safety

Caution: Some medical studies have suggested that long periods of repetitive motion may be linked to certain types of physical discomfort or injuries. You should take frequent breaks during game play. If you feel aching, numbness, or tingling in your arms, wrists, or hands, consult a qualified health professional.

- Do not use the racing wheel if you have respiratory, heart, or other physical ailments that limit your physical activity. If you have any doubts, consult with a qualified health professional.

- The racing wheel is not intended for small children. The racing wheel may contain small pieces that should be kept away from small children because they may pose a choking hazard.

- Do not disassemble any of the racing wheel components. Refer all servicing to qualified personnel only.

- Do not place or store the racing wheel in a humid area and do not expose it to water or rain.

- Use the racing wheel only as instructed. Read all instructions before operating the racing wheel.

- Failure to follow these directions may void the warranty.
