

CWM8i

Wall Mount Monitor

Product Summary

- B&W's latest development of the award-winning CWM 8i, with improved crossovers and mounting components, offers even better sonic performance in a convenient package. Featuring B&W's own specially built metal dome tweeter and polypropylene cone bass/mid-driver the sound quality rivals the finest conventional speakers at this price point and offers low frequency extension down to as low as 30Hz.

| | | | |
